SALUBRIS

President's Message

We have had a wet but busy spring!!

The Town of Lewiston has completed extending the Saunders Settlement Road sewer line and hooking into our sewer line so we can eliminate use of the holding tank. Many thanks to Steve Broderick the Town of Lewiston Supervisor, the Town Board, and the Town of Lewiston Departments for all the support to complete this project. This is another example of the ongoing support provided by the Town of Lewiston both financially and in services provided that are essential to our continued operation.

Great job by our hard working volunteers on the Antique Show and Basket Auction, Rod & Custom Swap Meet, and Pancake Breakfast. If you can help on any of our activities like these, let myself or one of our Board Members know. We can use additional help.

We are adding a special Niagara County Vietnam Veterans Event September 21 and 22 with car show and military vehicle displays. You will see information about it in the newsletter.

We have another great Farm Museum Festival Planned July 27 & 28. Thanks to everyone for your support and have a great summer!!

BUILDING PROJECTS, Paul Calkins, Chairman

The Town of Lewiston work connecting the Town sewer line to our sewer line at the road is complete. Our contractor has also completed work of having our line by-pass the storage tank.

WE NOW HAVE A SEWAGE SYSTEM THAT PROVIDES SAHS WITH THE CAPABILITY OF BEING OPEN YEAR AROUND.

A great job by one and all and especially to the Town of Lewiston Supervisor, Steve Broderick; Deputy Supervisor, Bill Conrad; and Town Board Members Al Bax, Bill Geiben, John Jacoby, and Rob Morreale for securing the funding for extending the Town sewer line to SAHS property and connecting it to the SAHS sewer line at the road. We also thank the Town Officials for approving a portion of their Greenway Allotment for funding the recently completed Legion/Treichler Building Project and the SAHS Parking Lot Project.

The roof on the coal shed located by the School House Museum has been repaired. The estimate for repair of the garage roof at Farm is \$4,220 for shingles or \$3,860 for metal.

SAHS needs help in funding to provide mold protection for the **Treichler Building**. At the board request, SAHS sent a **letter of inquiry asking the Grigg Lewis Foundation** to allow SAHS to apply for a \$9,500 grant to insulate the Treichler Building and to install a state-of-the-art, ductless environmental control system that provides heat, air conditioning and humidity control as the need arises. The response from **Grigg Lewis** was affirmative with **our proposal due to them by August 2.**

LANDSCAPE & CONSERVATION-

The garden committee with the help of the **Sheriff's Work Program workers joined by a group from Key Bank's Community Service Initiative** has done a great job in getting the gardens readied and planted. Mother nature has been helping with the watering. The results are beautiful gardens all around the farm. Their work will continue all summer long to maintain the flowers and shrubs that makes the farm picture perfect for

all those who visit. **Joan Shaw** is following up on the looestrife eating bugs for the conservation area near the pond.

We also thank **Paul Jackson** and family for the flowers & bushes around the gazebo, done at their own expense.

SCHOOLHOUSE MUSEUM, Elaine Timm Curator, Ph 471-2217.

Elaine continues to vary the exhibits in the museum to create interest. The military related artifacts have been relocated to the Treichler Building. We are open every Sunday from 2 to 4 PM (or by special appointment by calling **Elaine**).

THE TREICHLER BUILDING MUSEUM-

This museum will be open during our major projects and by special requests to our Curators. As noted earlier, we recognize the necessity in providing mold protection for our many artifacts as well provide heat and air conditioning to be open year-around. We are in the process of seeking funding from **Grigg Lewis** to provide this capability.

SANBORN-LEWISTON FARM MUSEUM-Bonnie Haskell, Curator (990-6909)-

The Farm Museum is open every Sunday from 2 to 4 PM and every Wednesday from 1 to 4 PM. Many have visited our museum during normal openings and during our events held at the farm and were surprised to see what we have to offer at our great museum. We are now providing a spe-

cial leaflet to visitors with certain artifacts and areas keyed with a number to the leaflet that shows information on the item or area shown. This is also of interest to docents who sit our museum in describing our history. We are proud of our museums and thank those who have donated their family heirlooms for all to enjoy.

LIBRARY/COLLECTIONS, Jane Schultz-Chairperson (Ph. 731-9404)

Helping Jane on this committee are Valerie Dupleton, Pat Kopolinski and Gerry Treichler and the Schoolhouse Curator, Elaine Timm, and Farm Museum Curator, Bonnie Haskell. Work times are held on the 2nd Tues. of the month between 9:30 and 11:30 AM to accept artifacts, take pictures, etc. Please call Jane if you have any artifacts to donate and she will set a time to receive them. Numerous artifacts have been accepted by our Board since last report including items from Clara Fish and many items from Pam Dewey as she moves from her home to another location.

Out profit this year was \$3441 including \$1131 from the Basket Auction portion of the show and sale chaired by **Pat Thompson**. SUNSHINE COMMITTEE-

Contact any board member with names of those members needing "Thinking of You" or "Sympathy" cards. They or their family will be sent cards. **Past SAHS President Jim Cranston, Larry Fish, and Beverly Utter** passed away since our last reporting.

DEFIBRILLATORS

Glenn Wienke reported that SAHS needs more folks to learn how to operate our two defibrillators. Please volunteer to take the 2 hour operational course (SAHS pays the cost). If you can help support this emergency safety plan, please contact **Glenn, 731-5982**.

JERSEY SHIRTS AND CAPS-

We take pride in wearing caps and shirts with our museum's logo on them. They can be purchased at our various events or at our museums. **See Glenn Wienke for information.**

MARKET IN THE COUNTRY-

This event sponsored by the **Rotary and Lions Clubs** replaced **Old Sanborn Days** this year. The one day event was held on June 8 at the Lions Club Park on Ward Road next to the Wheatfield Legion Post. SAHS had a 10' x 20' tent, housing an assortment of artifacts and our literature. This first year event should be better next year with some of the kinks worked out and mother nature providing a dry field to set up our exhibits.

We take pride in wearing caps and shirts with our museum's logo on them. They can be purchased at our various events or at our museums. **See Glenn Wienke for information.**

PANCAKE BREAKFAST -

Thanks to **Paul Otto** who headed up the cooking and his crew this year for a fine pancake breakfast. We also thank the kitchen and dining room workers who know how to get the job done. We took in \$1382 but had expenses of \$964 for a profit of \$418. Advertising expenses for this event is a killer as well as the completion from other events around the area at the same time.

ANNUAL RODS & CUSTOMS CAR PARTS SWAP MEET AT FARM

The weather was beautiful for our 6th year of hosting the **Rods & Customs Car Parts Swap Meet**. Vendors for this event keep growing and buyers fill our parking lot and other areas as well. Our food concession group did an excellent job keeping up with customers. We showed a profit of \$1332. We also had many visiting our Farm Museum. **Great job one and all!**
